Stage, Wing & Crossover Space, Green Rooms

Acoustic panels & multiple curtains provide flexible stage looks

Accessible Load-In

Designed as an elegant, comfortable space to host The Huntington's program of lectures, conferences, and small musical performances, Rothenberg Hall features a 374-seat auditorium with exceptional acoustics and audiovisual capabilities. The interior is warmed by paneling in white oak, the featured wood of the Steven S. Koblak Education and Visitor Center and a wood that also lines walls in the historic buildings on the property.
