

RECREATE A PUZZLE PURSE

INSTRUCTIONS:

1. Cut out the paper puzzle purse below.
2. Fold the red dotted lines into "valley folds" and the blue dotted lines into "mountain folds." The folds should create "mountains" (paper crease points up) and "valleys" (paper crease makes a channel).
3. Take one corner in your left hand and the other corner, diagonally opposite the first corner, in your right hand. Fold the folds into the middle square while twisting slightly, creating a pinwheel.
4. Flatten the pinwheel. It should look like this:
5. Fold each of the points of the pinwheel into the center square in a clockwise pattern, tucking the last point into the first to lock it in place.
