8 p.m.													
9 p.m.													
10 p.m.													

Friday, Oct. 30 & Saturday, Oct. 31, 2026
CELEBRATING 10 HAUNTING YEARS

STRANGE SCIENCE

1 MUNGER RESEARCH CENTER PLAZA

**The Alchemist's Arms
Twilight Trivia**
6:30 p.m., 7:45 p.m.
Put your knowledge of spooky stories, haunting history, eerie art, and bloodcurdling botany to the test as you compete for delightfully strange prizes.

2 THE ROSE HILLS GARDEN COURT

The Astral Observatory Bar
Use drink tickets to enjoy beer, wine, and non-alcoholic beverages. Cocktails and other beverages for purchase.

3 ROTHENBERG HALL

Visions of Electricity: Collection Objects on View
6–10 p.m.
Discover featured items from The Huntington's collections, including an 18th-century electrostatic generator, Leyden jars, and a model of George Van Tassel's Integratron.

Otherworld: The Story of the Integratron
7:15 p.m., 9:15 p.m.
Otherworld podcast creator and host Jack Wagner and architectural historian Daniel Paul share the out-of-this-world history of the weird and wonderful Integratron.

4 HAAGA HALL

Our Haunted Universe: Where Did Everybody Go?
7 p.m., 9 p.m.
Join Rob Manning, chief engineer emeritus at the Jet Propulsion Laboratory, Mat Kaplan, senior adviser to The Planetary Society, and Andre Bormanis, astronomer and writer-producer, for a spooky journey to the outer limits of our universe.

5 MAPEL ORIENTATION GALLERY

The Ghoulerly
6–9:45 p.m.
Dare to enter a ghoulish scene and pose for the camera! Photos will be available for purchase.

6 1919 CAFE BAR

Full drink menu for purchase. Drink tickets not accepted. Closes at 8 p.m.

7 CELEBRATION LAWN

Wytch Wood
6:15 p.m., 7:45 p.m., 9 p.m.
Visit a timeworn village beneath ancient oaks and hear spine-tingling tales of gothic horror writers and mysterious fortunes.

8 LIBRARY LAWN

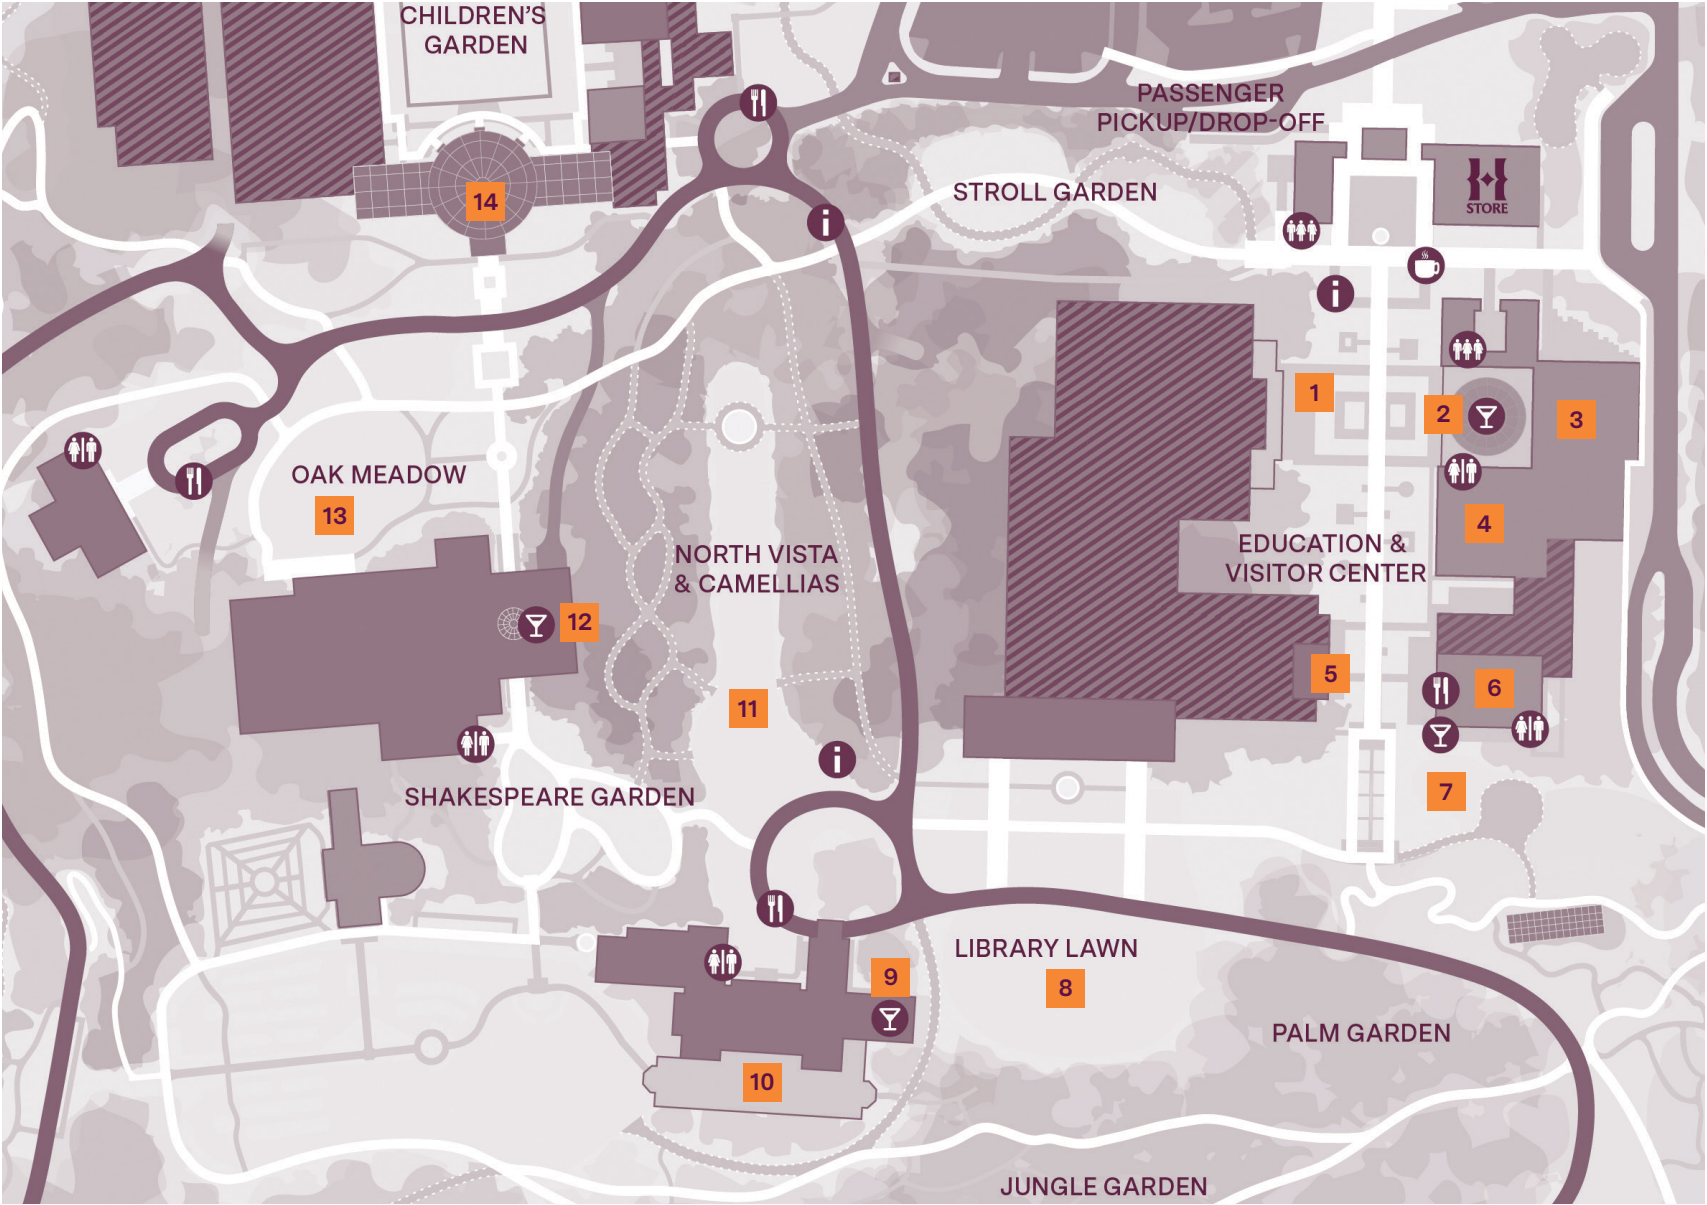

Nikola Tesla's Laboratory
6:30 p.m., 7:30 p.m., 8:30 p.m.
Marvel at breathtaking displays as Tesla's famous lightning machines generate dramatic electrical arcs synchronized to music.

9 HUNTINGTON ART GALLERY LOGGIA

Smoke and Mirrors Bar
Use drink tickets to enjoy beer, wine, and non-alcoholic beverages. Cocktails and other beverages for purchase.

10 HUNTINGTON ART GALLERY SOUTH TERRACE

The Mage's Dance
7:30–10 p.m.
DJ Kara brings magic to the dance floor with a blend of disco, funk, R&B, '90s, and '00s throwbacks.

11 NORTH VISTA

The Man in the Purple Suit
7 p.m., 8 p.m.
Jonathan Molo blends impossible magic, mind-reading, and comedy into an interactive experience filled with surprises.

12 SCOTT GALLERIES OF AMERICAN ART LOGGIA

Geiger Counter Bar
Use drink tickets to enjoy beer, wine, and non-alcoholic beverages. Cocktails and other beverages for purchase.

13 OAK MEADOW

Lumina
6:45 p.m., 8:45 p.m.
CirqueSanity's sci-fi spectacle dazzles with aerial artistry and acrobatics, inviting audiences beyond the stars to imagine who might answer when humanity finally listens.

14 CONSERVATORY

The Rose Hills Foundation Conservatory for Botanical Science
6–9:45 p.m.
Under the Conservatory's glass dome, explore some of the world's most unusual plants.
